## SUMMER EVENTS and PRECINCT NEWS

---

### EVENT POSTPONEMENT

Due to increased summer related police initiatives, the ICP Meet and Greet Event scheduled for July 19<sup>th</sup> has been postponed. No new date for this event is available at this time, but I will advise you of the new date when it becomes available. We apologize for any inconvenience caused by this postponement.

### ACTING TUCKER PRECINCT COMMANDER

In mid June, the precinct welcomed **Captain Yarbrough** as Acting Tucker Precinct Commander. Captain Yarbrough has extensive Special Ops training and is a part of the bomb squad. Captain Kliesrath remains in place as Assistant Tucker Precinct Commander.

### NATIONAL NIGHT OUT (NNO)

If your community is planning a NNO activity and I haven't received your event information (Location, type, and time of your event), I will need this information as soon as possible. All the information you provide me is included on a list that is forwarded up the police chain of command. This list is used to determine which events command staff, detectives, ICP/ beat officers, and I will be attending. All known activities will have police representation. Please remember to include event ending time as well, so we don't arrive at your event after it is over. Tucker Precinct has always had exceptional NNO community participation. What a great way to have fun and interact with both your neighbors and police in a proactive way!!!
